

Employee Onboarding Program

Congratulations & Welcome to GTRI!

Our Strength is our People
Integrity, Innovation, & Excellence

Exceptional employee performance results from a sense of ownership, accountability, and a personal connection to our mission, vision, values, and culture.

Therefore the purpose of this program is to help you navigate your first year at GTRI and encourage career development, which aligns and supports GTRI's culture, community engagement, and institutional sustainability.

Each event will help you become acclimated to the organization and create a successful career path through impactful, informative, and engaging learning activities.
