

Tuition Assistance Programs

We offer an extremely competitive and comprehensive benefits package designed to enhance your work-life experience and remain an employer of choice. As such, we are pleased to share with you the details related to GT/GTRI Tuition Assistance programs!

Tuition Assistance Program (TAP)

This program provides a tuition waiver to full-time, benefits eligible employees who have maintained this status for at least six months and attends a school within the University System of Georgia (USG) system.

[Learn more about TAP](#)

Staff Tuition Reimbursement Assistance Program (STRAP)

The STRAP is an educational assistance program that provides partial tuition reimbursement for staff employees who attend any accredited private Institution not a part of the USG system.

[Learn more about STRAP](#)

Georgia Tech Research Corps (GTRC)

All regular, full-time Georgia Tech employees with the titles of: Research Engineer, Scientist, Technologist, and Associate I through Principal Research Engineer are eligible to participate in this program.
